Re: United States v. Nkanga Nkanga
18 Cr 713 (JMF)
20-CV-2871 (JMF)

Dear Judge Furman:

We write with the consent of the Government requesting that the Court adjourn the conference scheduled for January 21, 2021 for a period of 60 to 90 days.

The reason for the request is that Dr. Nkanga continues to be followed by his doctor for neurological issues, he continues to be at great risk for COVID-19, there has been a significant number of COVID cases at Ft. Dix (where he has been designated), and we are hopeful that he will receive the vaccine as soon as it is made available to him.

We have conferred with the Government and been advised by AUSA Fiddelman that the Government consents to this application.

If the foregoing meets with Your Honor's approval, then we respectfully request that you "So Order" this application.

Thank you for your consideration in this matter. Our continuing best wishes to you and your staff.

Respectfully submitted,

Daniel S. Parker

Application GRANTED. The conference is ADJOURNED to April 19, 2021, at 3:00 p.m. The Clerk of Court is directed to terminate Doc. #135 and docket this endorsement in both the criminal and civil (20-CV-2871) case. SO ORDERED.
